A full commitment to practices and tournaments is expected.
- Registration information is available at **www.bisonhoops.com**. If you are unable to register on-line, please contact Brenda Esnough-Buhse at bmbuhse@charter.net.
- **All players will need to be accompanied to tryouts by a parent or guardian.** Tryouts will be closed and completed under the direction of Varsity Head Coach, Nick Guida. No volunteer coaches will be allowed in tryouts. The final team rosters will be posted on the Bison Backcourt Club website, **www.bisonhoops.com**, on October 7, 2009.
- For players selected, the fee per player is:
\$125.00 4th grade
\$150.00 5th & 6th grade
\$175.00 7th & 8th grade.
A discount is given if a family has multiple players in the program.
- **There will be an informational session for parents during the September 24th tryouts.** This meeting will go over the details of the traveling program and answer any questions you might have. This will be especially helpful for first year parents.

The Bison Backcourt Club (BBC) is a non-profit organization. The program is open to boys living in or attending District 877. The primary purpose of the BBC is to promote the Boys Bison Basketball program for grades four through twelve.
